SUBJECT -

Grant of Rs 100 per mensem in aid of "The Maharani Girls' School Magazine"

1 Miss Pidsdale, lady Superintendent of the Maharani Girls' School, undertook on public, on her own responsibility, a magazine (partly in English and partly in Kannarese) called the "Maharani Girls' School Magazine," and the 1st Number of the publication appeared about the month of January 1899. As a private publication it was registered under Act XXV of 1867 and it is being printed in a private press at Mysore

Serial No 1
Resolution 12

2 At a meeting of the Maharani Girls' School Committee held on the 12th October 1899, it was resolved that the Maharani Girls' School Magazine should be made a Government publication and recognized as a Magazine of the school, and that the details of the conduct of the Magazine be settled by the Inspector General in consultation with Mr Madhava Rao and the Lady Superintendent

Serial No 2

3 In January 1900, the Inspector General while reporting upon the above resolution of the Committee, enclosed his opinion that the Government should, the Government might direct the Lady Superintendent to draw up estimates, annual printing of Rs 100, that the Government should bear

as many copies as there are Government Girls Schools in the State

Ø Serial No 3

4 Government agreed with the Inspector General in thinking that the Magazine need not be a Government publication, but they asked for Mr Bhabha's views on the question whether a Public servant, like the Lady Superintendent, should be permitted to conduct a journal to the detriment of her legitimate work. An enquiry was also made as to the practice obtaining in British India on the subject

Serial No 4

5 In reply the Inspector General stated that it was proposed that the Maharani Girls' School Magazine should be conducted by a Committee of teachers of which Miss Ridsdale would be the President in her capacity of Editor, and that a Magazine so conducted would not put ~~too~~ great a strain on any of the teachers. As to the practice obtaining in British India it was stated that Officers of the Education Department were permitted to edit Educational Magazines and journals in British India and that in Mysore T. Denham had been permitted to edit the Educational Review without prejudice to his legitimate duties

6 Information as follows was also furnished in reply to queries put by this Office -

(1) Three hundred (300) copies of the Magazine were printed and circulated last year

(2) The cost of printing 300 copies in the past year was Rs 50 a month But Mr Bhabha is of opinion that the cost of Publishing a Magazine of larger size but printed on slightly inferior paper should not be more than Rs 40 or 45 a month

(3) The annual subscription is Rs 2-6 per copy The cost of a single copy is 4 annas.

(4) The Inspector General proposes that the 100Rupees a month recommended by him should be treated as a grant -in-aid The Department will moreover purchase at the usual rate as many copies as there are Government Kanyada Girls Schools in the Province for distribution to the schools 70 copies were so purchased in 1899 at Rs 2/- per copy.

Serial No 8

7. In reply to a further enquiry, the Inspector General now reports that Mr. T. Denham was permitted by the Dewan to edit the Educational Review and that the order was communicated to him by a D O letter,, that the Educational Record of Bombay is edited by a Professor of Elphinstons College,

and that the Indian Journal of Education of Madras is edited by Mr Adam at present and was once edited by Mr T Denham when he was in the Madras service Mr Bhabha states further that he is not aware of any order of the Madras Govt on the subject

8. The first Councillor to whom the file was submitted for orders has remarked as follows -

" I am doubtful as to the propriety of "allowing any public servant to have anything "to do with the publication or editing of a "journal or magazine, but as there is al- "ready a precedent with the Dewan's sanction, "I have no objection to Miss Ridsdale being "specially permitted to edit the Maharani "Girls School Magazine, provided it does not "interfere with the performance of her leg- "itimate duties as Lady Superintendent "With regard to the grant-in-aid it seems "to me that the grant proposed, Rs 100 a "month, is too high when the monthly cost "of publishing 300 copies is estimated at less than Rs 50 We may, if the Dewan ap- "proves, sanction Rs 600 per annum (12 x50) "as a grant-in-aid on condition of a certain "number of copies being supplied monthly for "distribution under the orders of the In- "spector General."

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,
~~Mysore~~, Bangalore, 3rd January ~~190~~ 1900

From

H J BHABHA, Esq,
Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore

Sir,

I have the honour to inform you that at a meeting of the Committee of the Maharani's School held on the 12th October 1899 a proposal to make "the Maharanis Girls' School Magazine" a Government publication and to recognize it as a magazine of the school was approved, the details of the conduct of the magazine being settled by me in consultation with the President of the Committee and the Lady Superintendent I have thought carefully over the details of the management of the magazine, and am of opinion that the magazine need not be made Government publication, but that Government may give its managers who will be the Lady Superintendent and

her Assistants an annual grant-in-aid of Rs 1400. The Department will also purchase as many copies of the Magazine as there are Government Girls' Schools. With this aid it will be possible to publish an interesting young ladies' magazine part of which will include English articles. As the Magazine has been carried on with great difficulty to the end of the year 1899, and must die out unless it is placed on a fairly permanent footing, the proposed grant-in-aid is urgently required. I request that Government may be pleased to sanction a grant-in-aid of Rs 600 from January to June 1900 from the general savings of the current year's budget and an annual provision of Rs 1200 for the Magazine under the heading of Grants-in-aid in future Budgets. A magazine like the Maharani School Magazine if well conducted will provide instruction not only for the pupils and teachers of the School but also for ex-students and Hindu ladies generally.

I have the honour to be,
Sir
Your most obedient servant,
H.H. Bhabha
Inspector General.
